

B-Bridge International, Inc.

639 N.Pastoria Avenue

Sunnyvale CA 94085 USA

Certificate of Analysis

Product: siFECTOR

Cat. No.: EM-101-005

Production Date: 12/15/2002

Lot No.: 0675

Chemical analysis: H-NMR, Infrared Spectra and TLC of components are within specifications.

Biological Assay: tested in COS-1 cells using a β -galactosidase marker. Transfection efficiency was within range.

Sterility test: After one week, negative growth on agar plates and in antibiotic-free growth medium.
